## **CAUSTIC FLOOR CLEANER 0018**

**DESCRIPTION:** Caustic Floor Cleaner 0018 is an all purpose cleaner used to clean very greasy floors, either painted or unpainted, with a power floor cleaning machine or by mopping. Can be used for cleaning walls, woodwork, and for general cleaning. Soot and greasy soil from diesel trucks and engines are quickly cleaned-up.

Because of its proven effectiveness, this product should be used for grease and grime cleanups in manufacturing plants. When used through a power scrubber, it cleans the floors without excess suds and, after rinsing, leaves no slippery residues.

Since it is nonflammable, it eliminates the danger caused by solvents. It may be used in areas that have potential fire hazards. Water based and nonflammable.

**METHOD OF USE:** For greasy floors, mix, from 20/1 to 40/1 with water. Use with a scrubbing machine or apply with mop. Allow a few minutes dwell time for penetration, then rinse off with clear water. For light duty cleaning and as an all purpose cleaner, ten parts water may be used.

### **SPECIFICATIONS:**

Color . . . . .	Emerald Green
Fragrance . . . . .	Mild Aromatic
Type of surfactants . . . . .	Nonionic
Phosphates . . . . .	2%
pH . . . . .	13.5 ± .5
Active Ingredients . . . . .	16 ± 0.5
Specific Gravity . . . . .	1.078
Hard Water Compatibility . . . . .	Good
Shelf Life . . . . .	Good
Grease Cutting Ability . . . . .	Excellent
Soil Penetration . . . . .	Excellent
