## GERM WIPE

DETERGENT DISINFECTANT • CLEANER • DEODORIZER  
 MILDEWSTAT (on hard inanimate surfaces)  
 FUNGICIDE (against pathogenic fungi) TUBERCULOCIDAL • VIRUCIDE

### Active Ingredients

n-Alkyl (60%C14, 30%C16, 5%C12, 5%C18) dimethyl benzyl ammonium chlorides	1.050%
n-Alkyl (68%C12, 32%C14) dimethyl ethylbenzyl ammonium chlorides	1.050%
<b>Inert Ingredients</b> .....	99.790%
<b>TOTAL</b> .....	100.000%

EPA REG NO. 1839-83-10693 • EPA EST. NO. 10693-CA-1

**DESCRIPTION:** This product is designed for general household cleaning and disinfecting in Homes, Nursing Homes, Hospitals, Institutions, Offices, Schools, Motels and Hotels. When used as directed it is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, doorknobs, light switches, shower stalls, hampers, cabinets, and bed springs). In addition, it deodorizes those areas which generally are hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, basements, restrooms, and other areas which are prone to odors caused by microorganisms. When used as directed, this product demonstrates effective disinfection against Mycobacterium tuberculosis (BCG) at 20EC, Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa, thus meeting requirements for hospital use. Efficacy tests have demonstrated that it is an effective one-step cleaner disinfectant in the presence of organic soil (5% blood serum). The product is fungicidal against pathogenic fungi (T. mentagrophytes) when used as directed on hard surfaces found in the bathroom, shower stall, and locker room, or other clean hard non-porous surfaces commonly contacted by bare feet.

**DIRECTIONS FOR USE:** DISINFECTING, CLEANING, AND DEODORIZING - To disinfect, clean, and deodorize hard nonporous surfaces such as bathroom tubs, fixtures, shower stalls, walls, sinks and bathtubs proceed as indicated below:

1. Hold container six to eight inches from surface to be treated.
2. Spray area until its covered with the solution. Allow the product to penetrate and remain wet for 10 minutes. No scrubbing necessary.
3. Wipe off with a clean cloth, mop, or sponge. The product will not leave grit or soap scum.

\* For heavily soiled areas, remove gross soil before treatment.

**MOLD AND MILDEWSTAT** - This product prevents and controls mold and mildew and the odors they cause on hard, non-porous, inanimate surfaces. To control mold and mildew on hard non-porous surfaces (such as floors, walls, table tops), spray the surfaces to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

**KILLS HIV ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS** in health care settings (Hospitals, Nursing Homes) or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of human immunodeficiency virus Type 1 (HIV-1) (associated with AIDS).

**NOTE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling. This product has been designed specially for Household and Institutional cleaning and disinfecting in Homes, Nursing Homes, Hospitals, Offices, Schools, Motels, and Hotels.

**NOTICE:**

The information contained herein, is to the best of our knowledge and belief, accurate. Since the conditions of handling and use are beyond our control, we make no guarantee of results. We assume no liability for damages or penalties resulting from our suggestions or recommendations, nor are these to be taken as a license to operate under, or recommendations to infringe, any patent.

**SPECIFICATIONS:**

Color .....	Clear, lt. straw
Fragrance .....	Lemon
Type of surfactants .....	Cationic & Nonionic
Phosphates .....	None
pH .....	11.7 ± .5
Active Ingredients .....	6.5%
Specific Gravity .....	1.012 ± .005
Hard Water Compatibility .....	Yes
Shelf Life .....	1 Year
Grease Cutting Ability .....	Very Good
Soil Penetration .....	Very Good

**CAUTION**  
**KEEP OUT OF REACH OF CHILDREN**  
**DO NOT TAKE INTERNALLY**  
**PROTECT FROM FREEZING**
