NEUTRA-BRITE
Neutral Floor Cleaner and Conditioner

DESCRIPTION: This product is formulated from the highest quality components and makes a quick chore out of those back-breaking cleaning jobs. It is guaranteed safe for any surface not harmed by ordinary soap and water and it also rinses freely without dulling the surface luster. Excellent for use on high speed buffed floors.

This product performs equally well in hard or soft, hot or cold water, and leaves a refreshing clean odor.

DIRECTIONS: This product will do a professional cleaning job on any surface not harmed by ordinary soap and water.

DILUTION RATES ARE:

- 2 ounces cleaner per one gallon water for all floors other than wood.
- 2½ ounces cleaner per on gallon water for wood floors.
- 16 ounces cleaner per one gallon water for indoor athletic floors and heavy traffic areas.
- 1½ ounces cleaner per one gallon water for mirrors, windows, fiberglass, aluminum, stainless steel, etc.
- 2 ounces cleaner per one gallon water for ceramic, porcelain, cabinets, metal trims and fixtures, plastic, leather, etc.
- 3 ounces cleaner per one gallon water for painted walls and woodwork.

For maximum results, wet surfaces prior to cleaning.

Above dilution rates are given as suggested guides, your experience gained in using this product will determine the best ratio.
