SPARKLE

TUB & TILE CLEANER

DESCRIPTION: This product is a blue liquid cleaner formulated to remove the toughest soap scum, hard water deposit, scale, lime, and various discolorations and deposits. This product is viscous so it will cling to vertical surfaces. This means more action on the soiled surfaces. It is made up of a mild acid, biodegradable detergents and a thickener to make it viscous.

ADVANTAGES:

- Heavy viscous formula - really clings.
- Removes soap scum, leaving surface bright and clean.
- Will not harm porcelain and ceramic surfaces.
- Safe on fixtures.
- Pleasant scent left in showers.
- Can be used on swimming pool tiles.
- Easy to use.

RECOMMENDED USES: Can be used in toilets, urinals, ceramic tile floors, showers, sinks, fixtures, wash basins, swimming pool tile, washroom fixtures and drinking fountains.

APPLICATION: TOILETS AND URINALS - Remove as much water as possible, and apply with bowl mop, then flush.

SHOWERS & SWIMMING POOL TILE - Dip plastic brush into full strength cleaner. Spread over small areas at a time and let set for two minutes, scrub and then rinse.

BATH TUBS, SINKS, DRINKING FOUNTAINS & WASHROOM FIXTURES - Mix 5 parts water to 1 part cleaner and apply with brush or cloth. Let set for one minute and rinse with cold water.
