

3.5 Gallon Spotter / Mini Extractor

The **3000 series spotters** from Crusader are more than just an ordinary spotter. They are affordable, powerful, compact units designed for superior carpet and upholstery cleaning. They are ideal for small to medium sized jobs.

3000 Series spotter shown above with standard 8' vacuum and solution hose set, 4" stainless steel hand tool and *optional wheel kit (3001)

Features

- 2-stage 85" water lift vacuum motor, a 45 PSI oscillating pump, an 8' vacuum and solution hose, a 4" all stainless steel hand tool, and a 25' cord, all as standard equipment.
- Float ball shut-off in the recovery tank protects the vacuum motor from damage, and the spin-off clean out cover allows for easy cleaning of the recovery tank at the end of each job. The recovery tank releases easily, and has a carrying handle and pour-out spout for easy emptying.
- 3-position switch allows the operator to choose from the vacuum and spray mode, off, or the pre-spray mode. There is a built in cord wrap on the recovery tank to help store the cord neatly.
- Multiple vacuum and pump options available, heat, an 8" wand with Lexan see-thru head with the hose set, a 10" all stainless steel wand with the hose set, a wheel kit, and a utility cart are all listed on the reverse side.

#3125A Spotter Utility Cart

The unit has a cart available that features 8" wheels and a 3" front caster for easy maneuverability. It also features a basket to carry bottles of chemicals, tools, and other miscellaneous items. The cart also has hooks on the handle to hold the hose set.

#3100 Spotter Wand & Hose Set
#3100-SS All Stainless Steel Wand & Hose set

The #3100 2 piece stainless steel wand features an 8" see - thru Lexan head, while the #3100-SS is a 10" all stainless steel wand. Both wands come with an 8' solution and vacuum hose set. Both wands are great for using the spotter as a mini-extractor for larger clean up jobs where space is limited.
